

June 2022

Dear Valued Customers

Tokiwa Kogyo Co., Ltd.

Sales Department

Notice of Price Change for All Machine Parts

Due to increasing cost of purchased parts, production wages, and raw material price, it is now very difficult to maintain our price since last price change 2009, even though our effort of cost reduction and rationalization.

Therefore, it quit unwillingly, but we decide to change price on 1 August 2022.

Please contact our sales staff about more details of each price.

Best Regards
